Hello! My name is John Funck, most call me Jack. I am hoping to get in with your team as an entry level front-end or Full Stack Web Developer. In May of 2021 I have earned a certificate in full stack development from the University of North Carolina, where I have obtained skills in JavaScript, HTML, CSS, React.js, JQuery, API Interaction (API, JSON, Ajax), Databases(MySQL and MongoDB), Server Side Development, and Quality Assurance. In December of 2013 I graduated from Western Carolina University with a BS degree in Entrepreneurship. Since graduating I worked for various companies where I have obtained skills in Customer Service, Leadership, and problem solving. I am excited to leverage my new skills and work with a great team!
